Dear Editor,

Thank you for your coverage on Medicaid expansion (Sept. 27). I would like to add that Tri-County Health Network has local bi-lingual enrollment navigators to help determine Medicaid/CHP+ eligibility and offer assistance in completing and filing applications. Also, as you noted in your Affordable Care Act article, we have certified health coverage guides to help individuals and small businesses navigate connectforhealthCO.com.

Anyone needing more information or assistance or would like us to deliver a presentation to your group, call us at 970-708-7096 — we are here to help!

Sincerely,

Stacey Wright

Programs Manager

Tri-County Health Network
