

TRI-COUNTY HEALTH NETWORK

Position: Registered Dental Hygienist

Direct Supervision: Community Engagement Supervisor

Status: Contractual

To Apply: Submit Letter of Inquiry to info@tchnetwork.org

JOB SUMMARY:

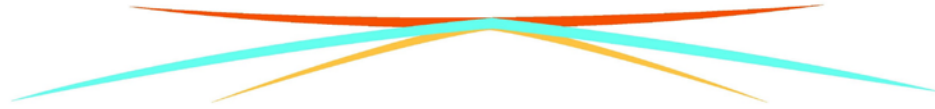

A flexible, part time job opportunity that offers you the ability to work at the top of your dental hygienist licensure in an educational capacity and help supplement your income! Tri-County Health Network is looking for Colorado licensed dental hygienists to be a part of our school-based oral health prevention program known as Skippy. Hours concur with Skippy clinics that are held during the Fall and Spring semesters at elementary/middle schools located throughout Delta, Montrose, Ouray, & San Miguel counties. Ideal candidate must enjoy children, be comfortable working with mobile dental equipment, and be able to work independently while being a team player. Experience and bilingual (Spanish) a plus. Please submit your resume to info@tchnetwork.org.

DUTIES AND RESPONSIBILITIES:

Contractor agrees to complete the following activities within specified timeframes when requested by TCHNetwork:

1. Maintain a license as required by Colorado law, to perform the duties required under this Agreement and remain in good standing with the applicable state licensing or authorizing agency/board.
2. Maintain active malpractice coverage as required by the Dental Practice Act.
3. Maintain certification with Colorado Medicaid and CHP+.
4. Valid driver's license with reliable transportation
5. Comply with all credentialing requirements including notification if there are any changes to licensure status or malpractice coverage.

TRI-COUNTY HEALTH NETWORK

6. Assign 100% of fees generated through the Skippy program to TCHNetwork for billing and collection to Medicaid, CHP+ and Commercial dental insurance carriers and for the financial reporting of Skippy clinics.
7. Attend any required Skippy training provided by TCHNetwork.
8. Sign-up for Skippy clinic days that work best for Contractor's schedule
9. Arrive on time for selected Skippy clinics.
10. Provide sealants, fluoride, interim therapeutic restoration (ITR), cleaning, radiology and Skippy dental hygiene education to children ages 0-18.
11. Assist in the set-up and breakdown of any dental equipment or supplies to designated Skippy clinic, as required.
12. Ability to carry 50 pounds
13. Bilingual (Spanish/English) preferred but not necessary
14. Experience working with disadvantaged populations and children
15. Any other duties as required to ensure the success of the program and the TCHNetwork.
