

Position: Cultural Navigator – Telluride

Status: Full-time, salaried position 40+ hours per week

JOB SUMMARY:

The Cultural Navigator will assist in empowering, engaging, organizing, and advocating on behalf of the multicultural population throughout San Miguel County. This individual will serve a key role in the development of Tri-County Health Network's (TCHNetwork's) advocacy and outreach efforts for underserved populations, people of color, and monolingual Spanish speakers. Services will be provided in both English and Spanish. Responsibilities include outreaching to, educating, and enrolling eligible individuals and families into Medicaid/CHP+, Colorado's health insurance marketplace, and SNAP and providing support, and linking individuals to available needed resources. This position also builds relationships with key partners in the area to advance access to public assistance and serves as a referral resource for partner organizations that provide direct services to the immigrant population. This position will provide responsive services to assist affected populations in navigating complex systems of care and local civics.

DUTIES AND RESPONSIBILITIES:

May include the following, and other duties as assigned.

1. Offer enrollment/entitlement assistance, which includes:
 - Successfully completing State of Colorado training to become a Certified Application Assistor and Health Coverage Guide and any required trainings, continuing education requirements as applicable.
 - Providing general education, basic knowledge, application and follow-up assistance regarding benefits of SNAP, Medicaid, CHP+, and/or marketplace insurance and health service delivery in a manner that is culturally and linguistically appropriate to the client. This includes translation between Spanish and English as needed.
 - Collaborating closely with respective county social services agency staff members assigned to eligibility determination and enrollment
 - Expanding the network of community-based organizations, faith-based organizations, medical providers, and school districts focusing on enrollment outreach and activities
 - Tracking clients' annual renewal dates and proactively outreaching to individuals to ensure no break in coverage

2. Conduct outreach to and connect with the target population throughout the service area, providing diverse and underserved community members with resources to promote wellbeing, self-sufficiency, health, social engagement, and civic engagement
3. Research and maintain an extensive community resource list so that the target population have a point person to turn to that can refer them to the correct community resources/organizations
4. Work with our target population, identify service gaps, and develop solutions to fill those gaps
5. Assist with program support and outreach that address health equity including Skippy and Behavioral Health programming, including becoming a trained facilitator, as requested.
6. Develop/cultivate cross-referral relationships and actively collaborate with schools, county social services agency staff members, community and faith-based organizations, and other partners throughout the TCHNetwork service area to ensure the multicultural population has access to holistic, inclusive, and culturally-appropriate services.
7. Present DEI-themed content while helping to facilitate the Communities That Care (CTC) youth club meetings as needed, with an emphasis on helping youth develop social support systems, positive coping skills, and cultural awareness.
8. Participate in local advocacy meetings and coalitions in San Miguel County and expand efforts as directed.
9. Support and coach, as needed, the target population, to be their own advocates and voice their opinions
10. Document all outreach and engagement efforts with both clients and stakeholders in TCHNetwork's CRM system.
11. Participate in required trainings, continuing education, and monthly conference calls
12. Translate TCHNetwork marketing and promotional materials into Spanish
13. Other duties as required to ensure the success of the program and TCHNetwork
