Good Neighbor Fund Grant Qualification Criteria

The Good Neighbor Fund was created by the Telluride Foundation. The purpose of the Fund is to promote a stable workforce in San Miguel County, the West End of Montrose County, and Ouray County and provide emergency financial assistance to qualified applicants for daily needs such as rent, medical bills, car repair, food assistance, utility assistance and more as determined necessary to remain living and working in these counties.

In order to be eligible for consideration, applicants must: currently, live &/or work in San Miguel County, the West End of Montrose County, or Ouray County and have done so for the past 2 years; demonstrate that they have exhausted all other resources; and show that they can maintain financial stability outside this non-recurring and unexpected crisis to remain living and working in the defined region. Applicants may reapply for a Good Neighbor Fund grant after two years of receiving a grant award.

It is important to review the following criteria before completing an application.

Applicants must be able to **provide proof** of the following:

- 1) *Residency (e.g., copy of lease agreement)
- 2) *Employment (current or former) (e.g., copy of pay stub)
- 3) Statements demonstrating current financial need (e.g., copies of bills, balances forwarded)
- 4) All regular monthly financial commitments (e.g., electric bill, mortgage/rent due, car insurance, medical bill, phone, health insurance)

** Proof of residency or employment must be in San Miguel County, the West End of Montrose County, and/or Ouray County. Once a complete application is received, the applicant may be contacted for an in-person or phone meeting. All completed applications will be reviewed in complete confidence in order to make a grant allocation decision. Monies awarded will be in the form of a grant paid directly to the provider of service by the Telluride Foundation. The maximum grant allotment per application is \$1,500, and applicants are eligible to reapply after two years from the grant award.*

TCHN has a maximum allotment of funds each month. Applications are not on a first come first serve basis but a severity of needs basis.
